design by Foersom & Hiort-Lorenzen MDD

Our Conic lounge collection consists of a family of products developed to make your life as comfortable as possible - regardless of whether you are looking for a few moments to relax or want to spend a long evening unwinding with family and friends. We have joined our comfortable SoftTouch® fabric in either brown or grey with the practical QuickDry system, thereby creating a lounge group with the pleasant feel of indoor furniture and the convenience of furniture requiring only minimal care.

QuickDry system  Conic with Cane-line soft-touch® brown and QuickDry System

Our innovative soft-touch® fabric has the feel and look of indoor furniture, but with excellent practical properties like:

- All weather resistance
- Easy cleaning and maintenance
- UV-resistant
- Non-absorptive, stain-repellent

Soft-touch® is a combination of 48% coated polyester sling and 52% solution-dyes acrylic fabric. Cane-Line tex® is made of 100% coated polyester sling.
