- rope** polyethylene wicker
- rope color** off white
- glides** white nylon
- glass** tempered glass
- modular** connectors included in packaging

MAINTENANCE AND CARE

SYNTHETIC WEAVE

For our all-weather outdoor collection, we use multiple synthetic materials, including polyethylene, polypropylene, HDPE wicker and HPL.

All our synthetic materials are specifically designed to withstand any weather conditions, are UV-resistant, and can be left outside all year long.

We recommend giving them a quick wash when dirty or every three months with a non-foaming mild detergent.

ALUMINIUM

Aluminium has a self-protective layer, which prevents corrosion and makes this material very suitable for outdoor applications.

On top of that, it is super easy to maintain. A quick wash with a non-foaming mild detergent every now and then is all it needs!

COLOURS

OFF WHITE

CUSHION

- foam** dining chairs: 2 cm polyether foam
lazy armchair: 2 cm polyether foam
loung chair: 2 cm polyether foam
sunlounger: 3 cm polyether foam
